PROFFER ON AWARD OF COMPENSATION

On March 22, 2021, respondent filed a Rule 4(c) Report, in which he conceded that petitioner sustained a Table left shoulder injury related to vaccine administration ("SIRVA") from the flu vaccine administered on October 12, 2018; that the records showed that the case was timely filed; that the vaccine was received in the United States; and that petitioner satisfied the statutory severity requirement by suffering the residual effects or complications of her injury for more than six months after vaccine administration. ECF No. 21. On July 13, 2021, the Court issued a Ruling on Entitlement, finding that petitioner is entitled to compensation for SIRVA. ECF No. 26.

I. Items of Compensation

Based upon the evidence of record, respondent proffers that petitioner should be awarded \$62,500.00, which represents all elements of compensation to which petitioner would be entitled

under 42 U.S.C. § 300aa-15(a).¹ Petitioner agrees.

II. Form of the Award

Petitioner is a competent adult. Evidence of guardianship is not required in this case. Respondent recommends that the compensation provided to petitioner should be made through a lump sum payment of \$62,500.00, in the form of a check payable to petitioner. Petitioner agrees.
